⁽¹⁾ The homologation end date represents the final date on which the products may be manufactured

⁽²⁾ The validity of the product must always be that which is indicated on the product homologation label. The dates in this column are the latest possible dates that can be shown on the homologation label

⁽³⁾ Please refer to the end of this section

HOMOLOGATIONS OF EXTINGUISHER SYSTEMS / WARNING**IMPORTANT**

For safety reasons, please note that the homologation of the following competition seat, whatever the validity deadline, is withdrawn **with immediate effect**.

Manufacturer: **FOGMAKER INTERNATIONAL AB**

Model: **Fogmaker**

Homologation n° : **Ex.001.97**

As this seat **can no longer be considered as complying with the standard FIA TL16 - Plumbed-in Fire Extinguisher Systems in Competition Cars**, its use is prohibited in all cases in which compliance with the above-mentioned standards is mandatory.

⁽¹⁾ The homologation end date represents the final date on which the products may be manufactured

⁽²⁾ The validity of the product must always be that which is indicated on the product homologation label. The dates in this column are the latest possible dates that can be shown on the homologation label
