[2] *In line with the World Anti-Doping Code and Appendix A to the FIA International Sporting Code, this table lists FIA license-holders who are currently serving periods of ineligibility following anti-doping rule violations under the FIA's results management authority. Sanctions imposed by other anti-doping organisations are automatically recognised and enforceable under the FIA Anti-Doping Rules, and may be included in that list. Individuals listed are prohibited, for the duration of their ineligibility, from participating in any role in events or activities (except approved anti-doping education or rehabilitation programmes) that are authorised, recognised, or organised by the FIA, its ASNs, any other Signatory to the Code or its member organisations, or any competitions run by professional leagues or organisers of international or national-level events.*
